

# CAN YOU INVEST IN OUR SUCCESS?

## New Bloomfield Senior Center Daily Attendance

The Senior Population in our State is increasing and we are happy to report so is the amount of people utilizing our senior center. It's easy to belong to the center there are only two requirements, you must be 60 years of age or older and a resident of Perry County.

The New Bloomfield Center offers a wide variety of activities such as dancing, exercise programs, sketching, music, cards and various games. There are self-defense classes and trainings. Meals are provided on a daily basis and the center is open Monday through Fridays.

So please, if you are able to support the center with a financial contribution this would allow our seniors a location that allows them the opportunity to continue their independence and encourage involvement in the community thereby enhancing the quality of their later years.
